Art Workshops

Kids can be intimidated drawing on a large piece of paper. A small one will work just as good!

Do-It-At-Home activity: Quirky cartoons

Ages: 8-12yrs | Equipment: A4 or A3 paper, Pens and Pencils | Time: 10mins prep + 15mins drawing + more if they want to add to the story of the characters.

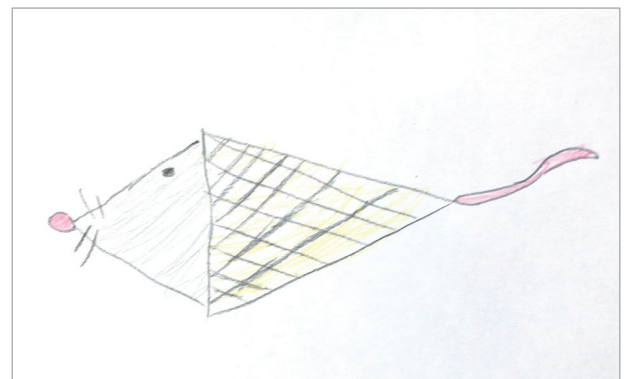

Step 1

Cut up a piece of paper into 10 small squares. Write a number 1 to 10 on each square and on the other side of the square write two words from my list:

- | | | |
|-----|----------|------------|
| 1. | ant | television |
| 2. | elephant | hat |
| 3. | dog | bicycle |
| 4. | zebra | sunglasses |
| 5. | bird | chair |
| 6. | penguin | car |
| 7. | mouse | ice-cream |
| 8. | rabbit | bath |
| 9. | cat | plane |
| 10. | spider | book |

Mouse & Ice-cream

Step 2

Ask each child to pick a number between 1 & 10 and give them the square with that number.

Step 3

Challenge each child to make a Quirky Cartoon to include the words on their square and make it as silly as possible. Can they come up with a story, too? When they are finished they can choose another number!
